Amazing animals
at Risk!

There are lots of different animals in the world and some you have not heard of, such as the Aye-Aye, Dugong or lamprey.

Extinction is a real problem. It means that an animal

Species (type) is going to die out soon if we don't help! Some animals at risk are tigers, polar bears, mountain gorillas and orcas. blue fin tuna. People are trying to stamp out hunters and protect animals and habitats.

Poem of the Month

The cat ate a black bat who wore a red hat.

Happy Easter!

there once was a bunny who had a big tum and a leg! and ate a chicken

There was a chick who ran away from an Easter who ran 100 miles away. (It was a stray chick.)

Thought for the Month

With the new day comes new strength and new thoughts.

Eleanor Roosevelt

Once you replace negative thoughts with positive ones, you'll start to have positive results.
