

## Social Media Permission

Joydens Wood Infant School likes to celebrate school life and the achievements of its children. To do so we photograph and video our children in action. We are requesting permission to use those photographs in a variety of places including our website, Twitter, Facebook and Instagram and on displays around the school buildings.

As you know GDPR came into force earlier in May 2018, which means we are required to gain consent from you to continue to photograph/video your child(ren). Whilst we may already have this permission in place, as the school has now moved to social media as a form of communication, we need to update our records to reflect this.

**Please indicate your permission(s) below and return the form to the school office.**

Child's Name:..... Child's Class:.....

Parent's Name:..... Parent's Signature:.....

Date: .....

Permission Requested	Please <u>sign</u> to confirm you have granted permission. If you do not give permission please indicate this with an 'X'
I give permission for the school to take photographs and videos of my child for educational records e.g. within exercise books, put on displays around the school and for assessment and training purposes. I understand that these photographs/videos may be shared with other professionals throughout my child's schooling.	
I give permission for images and videos of my child to be used on the school website and understand that some pages are synced with social media platforms. This means all images/videos on the website are open to the public.	
I give permission for images and videos of my child to be posted on social media and understand that all the school's Twitter, Facebook and Instagram are synced. This means one post will be shared on all three platforms which are accessible to the public.	
I give permission for my child to be photographed and videoed during school performances. I understand that other parents and guardians of the children within the school are allowed to photograph/video the children for their own personal use. By granting permission for this, I understand that in the future the school may transfer videos of performances on to DVDs for parents to purchase.	

***Please note: if you give permission now, you can withdraw or change it at any time by contacting school and completing a new form.***
