

# What does school ready mean to us?

To develop their motor control and balance through a range of physical activities. For example, doing up their zip and buttons.

To be independent when eating lunch and snack.

To be able to communicate their needs and wants verbally or through the use of visual aids.

To begin turn taking activities within their play.

To be able to participate in singing and rhyming activities.

To recognise when they need the toilet and to independently complete the toilet process.
