

## Food Safety Policy Statement

At Joydens Wood Infant School it is of paramount importance that we maintain the highest possible standards of food safety at all times.

The Safer Food Better Business Management System sets out our policy regarding the standards which must be met during food purchase, storage, preparation, cooking and service.

In addition to the above, Joydens Wood Infant School also has a dedicated Allergy Policy to help minimise the risk of any pupil suffering a serious allergic reaction whilst attending school or any school related activity.

All catering staff are familiar with and appropriately trained and qualified to apply the contents of the policy in relation to their area of work. It is the intention of Joydens Wood Infant School to review the document on an annual basis.

Signed:

A handwritten signature in black ink, appearing to read "E. Shreeve".
